Principal's Letter

Dear Friends,

The school year 2004-2005 was one of the most successful in the history of Junípero Serra High School.

Academically, our students are achieving at the highest levels -- evidenced in part by their stratospheric passage rates on the Advanced Placement exams and the record-breaking \$4 million in scholarships awarded to the Class of 2005. Athletically, our students won three CCS titles (basketball, cross country and golf); seven league titles (frosh cross country, junior varsity cross country, varsity basketball, junior varsity golf, varsity golf, freshman baseball and frosh/soph track); three teams qualified for State Championships (basketball, cross country, and golf); and a Division 1

Northern California State Championship in basketball. The Padre football, swimming, volleyball, water polo, baseball, track and field and wrestling teams also completed well in the CCS playoffs.

Serra actors and musicians staged before packed audiences performances of Shakespeare's *A Midsummer Night's Dream* and the national high school debut of Disney's *Beauty and the Beast*. The Padres continue to provide thousands of hours of service to the local community, most notably with the Fathers' Club efforts and the "Rebuilding Together" Program in which they provided much needed repairs to the homes of low-income families.

In October, we will celebrate the completion of the buildings envisioned in Phase One of our Building for our Future capital campaign. In particular, we will be dedicating the completion of new facilities for baseball, football, soccer, and track and field programs.

The Serra community has never been content to rest on its laurels. With the assistance of our newly formed Board of Trustees, we are actively planning the next chapter of Serra's history. In the next few months I will be sharing with the Serra community our strategic vision that will empower Serra to expand and thrive well into the future.

All of this would not be possible if it were not for you — our dedicated friends, alumni and benefactors. Your commitment to Serra's mission to "educate men of faith and service, leaders who will make a difference for the good in our world" truly makes a difference in the lives of our students. You have helped Serra become the "destination school" on the Peninsula and beyond.

Thank you for investing in our students and in Serra's future

as Junel

Sincerely,

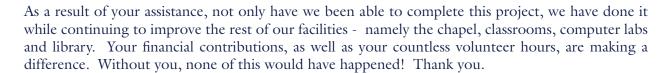

Lars Lund Principal

From the Director of Institutional Advancement

Dear Friends,

With your support, Junípero Serra is completing one of the largest building projects we have ever undertaken. Beginning six years ago, with dreams of providing better facilities for our young men, we are now in the homestretch of our renovations.

Hopefully, by the time you receive this Annual Report, our students will be sitting in new football bleachers, lifting weights, wrestling in their new fitness center, parking in the just finished structure on the west side of the campus, and storing school supplies in much needed facilities behind the gym.

We are experiencing the highest enrollment in the history of the school. If you speak with our young men about their experiences at Serra, you will know they are happy; they are proud to be a Padre. And, *I* am proud to be associated with these young men. They are truly an inspiration to be around.

Thank you again to everyone whose name is contained in this report, as well as the many volunteers who are not mentioned. Your generous and faithful support of our mission enables us to continue to provide for the young men who walk through our halls.

You help us do God's work in the spirit of his Son and Blessed Junípero Serra.

Sincerely.

Junipero Serra School Prayer

Lord God, from You comes all that is good, all our talents and abilities. Help us develop these gifts, even when it means hard work. Help us face the reality of working together as a community. When necessary, help us deal with pain and disappointment. Be with us in our endeavors. In the spirit of Junípero Gerra, let us never give up. Let this dedication in our lives today help us grow in faith, maturity and life for tomorrow. We ask this through Christ our Lord. Amen.

PARENT

PLEDGE PROGRAM

In a given year, total operating expenses at Junípero Serra High School exceed the tuition and fees collected. The differential varies with emerging educational programs and facility improvements that enhance both student instruction and the physical plant.

The revenue generated by our Parent Pledge Program helps close this gap and allows the administration to address planned and unexpected needs throughout the year. The Parent Pledge Program flows directly into areas of school life experienced by students. Most recently this money has been directed to the Building Fund and the need for new and better facilities.

The parents listed below and on the following four pages have generously contributed to the Parent Pledge Program during this fiscal year. We couldn't provide the programs we do without this much needed support.

How to Contribute Towards Serra's Capital Campaign

Making a donation to Junipero Serra High School is investing in the future of our young men. You can contribute in a number of ways:

- A one-time cash donation
- A PLEDGE TO SPREAD A LARGER DONATION OVER THREE TO FIVE YEARS
 - A GIFT OF SECURITIES OR REAL ESTATE

If you would like to make a contribution, please contact Michael Peterson, our Director of Institutional Advancement at (650) 573-9935. He will be able to assist you in tailoring your gift to Junipero Serra High School so that it best meets your needs.

Building for our Future Phase II

This \$15 million dollar phase of our Capital Campaign includes the building of a state-of-the-art music building, an art building with space for an expanded Academic Resource Center and additional classrooms, and a new and larger swimming complex to accommodate all of our aquatic needs.

Music 1

A new, enlarged band room that will exceed the minimum square footage recommended by the Music Educators National Conference

- New practice rooms
- State-of-the-art acoustics
- Dressing areas for our performing arts
- New storage areas for the music library, uniforms and equipment
- A workroom for instrument repair

ART

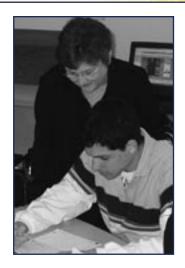

- An enlarged and improved room dedicated to painting, drawing, 3-D art
- Exposure to natural lighting
- State-of-the-art projection for the art history component
- Increased space to hold artwork and tools
- A ceramics room with electric wheels, glazes and kilns
- Facilities for a broadcast studio

Academic 📚

The Academic Resource Center, which began in 1999, started with 22 students and was housed in the area that was once the library's workspace. The program, now with 110 students, helps those with learning differences to reach their full academic potential through assistance, appropriate accomodations and tutoring.

We propose an enlarged classroom area that will provide more space for teacherled study groups, technology, student privacy and a conference area.

AQUATIC ____

When the Serra swimming program began in the early 1960's, it first used the swimming pool at the Elks Lodge down the street on 20th Avenue. As the progam became more successful, the need for our own pool was apparent. In the mid-1960's, a group of parents spearheaded a drive to build the pool. When the pool was completed in the summer of 1966, it was state-of-the-art and the envy of other schools. Now the pool is one of the oldest in the county and no longer meets the needs of our growing aquatic program.

WE PROPOSE . . .

- A new 35 meters by 25 yards pool, standard dimensions for high school water polo
- New bleachers for spectators
- · New decking
- Updated filtration systems and equipment
- Landscaping to enhance the beauty of the campus

Junipero Serra High School during the 2004-2005 Fiscal Year.

Fund-A-Dream Scholarship Luncheon

Serra Padres continue to be the pride of San Mateo County and beyond. They achieve unparalleled success in our classrooms, on our athletic fields, and on the performance stage. As a result, they are accepted to the nation's top colleges and universities.

Rising costs and a challenging economy, however, make it very difficult for families to afford a Serra education.

In order to ensure that each young man who dreams of becoming a Padre is afforded the opportunity to attend Serra, we held our first Annual "Fund-A-Dream" Scholarship Luncheon on April 27, 2005.

We are proud to announce that over \$40,000. was raised to help . . .

Make a Young Man's Dream Come True

If you are interested in attending our second annual Fund-A-Dream Luncheon to be held in the Spring, please contact Moya Goddard in the Development Office @ (650) 573-9935 ext. 122

Some of our valued alumni supporters share their reasons for generously giving back to the Junipero Serra High School Community

Bart Araujo '61

Bart and Daphne Araujo

"Although it has been many years since I graduated from Serra, I continue to be grateful for the many wonderful things that have come my way because of the education and experience I gained while there.

The core values integral to Serra's curriculum continue to resonate in my life today: the importance of integrity in everything you do; respect for your fellow human beings; teamwork in all activities; the importance of humility; and the value of hard work. The bonds of friendship forged over forty years ago with my fellow students and faculty are stronger now than ever before. My four years there afforded me the opportunity to develop spiritually, academically, athletically and socially.

It was a truly extraordinary period of my life. I am honored to now be in a position to reciprocate so that other young men may enjoy similar opportunities."

CLAYTON STEPHENS '60

"We are glad to support the great job Serra is doing and are thankful for the education and lifelong friendships that were so beneficial from the Serra years.

Our family has set up a quarterly contribution program to Serra and are fortunate that our contributions are matched \$3 for every \$1 by a company of which I am a Director. This is a powerful incentive to maintain and increase these quarterly contributions in the future. Although our five sons graduated from high schools outside the Peninsula and those schools were naturally our focus and energy, we remain committed to Serra's excellence which deserves the support and encouragement of all of us. We congratulate the school on its accomplishments."

CLYDE BEFFA, JR. '63

"First and foremost, it's all about the kids and a good Catholic education. I want the current students to have a great high school experience at a fine school. Second, Catholic high schools depend on donations for school improvements (staff and facilities) and do not receive money from government entities. Third, I went to Serra in the late 50's and early 60's and Serra provided me with a solid educational foundation, so my transition into UC Davis was very smooth. I had no trouble with my college studies thanks to Serra. I owe a lot to Serra and I am grateful for the education it provided me."

"It has been my pleasure over the years to be able to give back to Serra.

The benefits gained and the experiences enjoyed can never be fully repaid.

It was truly "the time of our lives." I am forever thankful and eternally appreciative."

LARRY MITCHELL '52

"I have been donating to the Father Zoph Scholarship Fund for years. My father passed away during my freshman year at Serra. Unbeknownst to me at the time, Father Zoph was instrumental in having a third party pay my tuition at Serra for the next three years.

By donating to the Father Zoph Scholarship Fund, I feel that I am contributing to a current Serra High student's education. The recipients may not have had the opportunity to receive the Catholic school education without some financial assistance.

It gives me great pleasure in knowing that my annual contribution is assisting a student to attend Serra High School through the Father Zoph Scholarship Fund.

I had the honor and privilege of being a pall bearer at Father Zoph's funeral mass and burial."

Rev. John L. Zoph (1908-2002)

How Can You Help?

When you think about how you might contribute a lasting and valuable gift towards Serra's continued excellence, consider your opportunities for giving.

The greatest number of gifts come to Junípero Serra High School as direct donations. Typically, such gifts are deductible items for federal and California state income tax purposes, subject to certain limitations. There can be additional tax advantages in donating appreciated property, securities and other assets.

By naming Junípero Serra High School the beneficiary of your life insurance policy, you may receive a tax deduction. Life insurance contributions can be an attractive option when the donor's family is grown and life insurance may be of less importance.

A family endowment may
be established to endow a
scholarship for a Serra student.
A minimum target donation of
\$10,000 is needed to establish an
endowment.

A memorial endowment may be established to honor a loved one.

All those listed in our memorial book are remembered in a monthly mass.

Real estate gifts are among the most valuable contributions you can make to ensure the future of Serra. Real estate can be given outright or can be deeded to the school, while you continue to occupy the property. It is possible to create a sizable tax deduction by deeding such a gift.

Many corporations now recognize and are willing to support private secondary education through a corporate matching gift program.

Check whether your employer will match your gift!

A bequest is a wonderful way to remember Serra. A donor may include a bequest to Serra High School in a WILL. A bequest may be for a specific amount, a percentage of the donor's estate, or a residual portion. Bequests can help offset estate taxes and may allow a donor to make a significant gift that might not have been possible during his or her lifetime.
